

ImageNow 5.41 Upgrade – CaptureNow Information

Each scanning workstation requires a valid CaptureNow license in addition to the ImageNow client site license as well as all necessary hardware (scanner, SCSI cards, etc.)

CaptureNow ISIS Supports:

- Single, batch, package mode scanning
- Image processing
- Barcode recognition
- Color, grayscale, ADF, duplex (depends on scanner)

Available in 3 levels corresponding to a particular level of ISIS driver. Each ISIS driver correlates to scan volume.

CaptureNow for Adrenaline:

- Optimal choice for scanners using VRS technology
- Supports all Kofax Adrenaline products (hardware/software)
- Single, batch, and package scanning
- Image processing, barcode recognition, and importing from file
- Color, grayscale, ADF, duplex (depends on scanner)
- Does not include Kofax products (they must be purchased separately)
