

DEPT USERS	ANALYSES	RATING/COMMENTS
School of Info	Retirement Elig Exempt/Non-exempt for OT issues	Like the tool Need more time to use it
Ford School	Turnover - why leaving T.O rates compared to others Transfer or Promotions to other schools Retirement Projections	Very useful - don't use it often but glad it is there when I need it
Student Affairs	Will be putting standard strategic analyses together for SA in Fall 2009	Some concern about data accuracy
Procurement Services	Visual Presentations of Data especially for small grps Planned reorgs Early retirement offers Group Perf Metrics	Appreciate the tool and its ease of use
Treasurers Office		Has not had time to use
A.E.C.	Diversity metrics Retirement analyses Annual reports	Use it as needed
ISR	Starting to develop reports	Use it intermittently as needed
School of Nursing	Retirement Elig	Use as needed
Cancer Center Med School	Retention Rates Minority staffing Turnover	Need more time to develop reports
University Development	Career Development Salary Trends	Need more time
Voices of Staff -sub committee	Career Paths analyses Career Trends	
Dearborn HR	Regents Reports on bio/demo data	Very useful and very needed; intuitive
Staff HR	Developing Std Reports for Assigned Depts Survey Demo Data	Very useful and timely info Developing more skill in using
School of Bus	Turnover analyses and benchmarks to other depts	Not inclined to develop other reports since we are changing the tool
Plant & Facilities Operations	I get requests for info that is easiest and quickest to get via the Tool. I also use it for the Executive Directors performance reviews.	Please don't let them take it away.
